Ethics / Human Trafficking Training Standards

The Human Trafficking 101: A Healthcare Primer on Saturday, November 4th fulfills 1 hour of the ethics and/or professional responsibility hour required for Texas licensure.

This course meets all required Texas Health and Human Services Commission (HHSC) Human Trafficking Training Standards and is approved by HHSC in accordance with House Bill 2059 (2019).

CME

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council of Continuing Medical Education (ACCME) through the joint providership of the Texas Medical Association (TMA) and the Texas Association of Otolaryngology. The Texas Medical Association is accredited by the ACCME to provide continuing medical education for physicians.

The Texas Medical Association designates this live activity for a maximum of **7 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Learning Objectives: Describe the recent advances in the field of otolaryngology; Discuss the recent advances in the field of rhinology as well as facial plastics and reconstruction; Optimize outcomes when using new approaches for oral appliances.
